Fall 2021 Training Webinars

Fall 2021 eLearning Bootcamp

This is an all-day virtual workshop featuring short sessions that show new and returning faculty and TAs how to use eLearning and teach remotely.

Schedule:
9:00am – 9:45am: Intro to LMS
10:00am – 10:45am: Content Creation
11:00am – 11:45am: Remote Lecturing
1:00pm – 1:45pm: Student Engagement
2:00pm – 2:45pm: Assessments
3:00pm – 3:45pm: Grade Center

Fall 2021 eLearning Bootcamp
August 10
August 13 (repeat sessions)
9:00am - 3:45pm

Getting Started with eLearning

This virtual session covers system navigation and an overview of available tools.

Getting Started with eLearning
On the following Tuesdays:
August 17 and 31
September 14 and 28
October 12 and 26
November 9
December 7
11:00am - Noon

Lecturing with Microsoft Teams

This virtual session shows how to deliver synchronous lectures, or record asynchronous lectures in an ADA compliant format using Microsoft Teams.

Lecturing with Microsoft Teams
On the following Tuesdays:
August 17 and 31
September 14 and 28
October 12 and 26
November 9
Lecturing with Blackboard Collaborate

This virtual session shows how to conduct a synchronous session inside eLearning using the Blackboard Collaborate web conferencing tool.

**Lecturing with Blackboard Collaborate**

On the following **Tuesdays**:
- August 17 and 31
- September 14 and 28
- October 12 and 26
- November 9
- December 7

**3:00pm - 4:00pm**

Student Engagement Tools

This virtual session shows how to conduct a synchronous session inside eLearning using the Blackboard Collaborate web conferencing tool.

**Student Engagement Tools**

On the following **Wednesdays**:
- August 18
- September 1, 15, and 29
- October 13 and 27
- November 10
- December 8

**11:00am - Noon**

Online Tests

This virtual session shows how to create and administer tests in eLearning.

**Online Tests**

On the following **Thursdays**:
- August 19
- September 2, 16, and 30
- October 14 and 28
- November 11
- December 9

**11:00am - Noon**
Assignments & Rubrics

This virtual session shows how to create and grade assignments (papers/projects that students turn in) inside eLearning.

Assignments & Rubrics
On the following Thursdays:
- August 19
- September 2, 16, and 30
- October 14 and 28
- November 11
- December 9
1:00pm - 2:00pm

Grade Center

This virtual session provides a detailed look at the grade center tool in eLearning.

Grade Center
On the following Thursdays:
- August 19
- September 2, 16, and 30
- October 14 and 28
- November 11
- December 9
3:00pm - 4:00pm

Alternate Training and Group Sessions

For alternate dates and times, or to schedule a group session, please fill out this online form.

Available On-Demand

More topics related to the LMS and other educational technologies are available on-demand:

- Course Building Basics: This session provides an in-depth overview of course building tasks in eLearning. Participants will learn how to put together a course from scratch.
- eLearning Groups Tool: This session covers the group tool in eLearning which allows students to collaborate in small groups and submit coursework.
- eLearning Portfolios Tool
- eLearning Organizations (non-academic course platform)
- Turnitin Assignments: This workshop covers the use of the plagiarism-detection software Turnitin, how to create Turnitin assignments, submit assignments from the students' perspective, and how to review and analyze the Originality Report generated by Turnitin.
- Respondus: This workshop provides an overview of Respondus, which is a third party software to create
question banks and import them into eLearning courses, either as question pools or directly as tests.

- Qualtrics: This session provides an overview of Qualtrics, a third party survey software to collect feedback from large audience groups, which the University has made available to all users. In this workshop, participants will learn how to create, edit and distribute surveys and view results.
- Classroom Polling (Turning Point Clickers)
- Camtasia Studio (video recording and production)

To request training on any of these topics, please fill out this [online form](https://ets.utdallas.edu/elearning/instructors/tutorials/training/makepdf).
