The UTD eLearning team now offers instructional design consulting! Are you overwhelmed with putting your course materials in eLearning? Do you want ideas on how to make your course or a section of your course more engaging? Are you trying to incorporate new teaching or learning ideas or technologies into your course? We can help! Email us at elearning@utdallas.edu to make an appointment.

- Akbulut, Y. Implications of Two Well-Known Models for Instructional Designers in Distance Education: Dick-Carey versus Morrison-Ross-Kemp (No. ED496543).
