Pedagogy Resources

This is a growing repository of pedagogical resources. We will continue to add links, articles, and documents about the best practices of teaching online and hybrid courses. If you would like to recommend resources for this page, please email the link or citation to elearning@utdallas.edu.

Books

• Theory and Practice of Online Learning- eds. Terry Anderson & Fathi Elloumi

Articles

• Kim, K.-J., & Association for Educational Communications and Technology Washington DC. Motivational Influences in Self-Directed Online Learning Environments: A Qualitative Case Study (No. ED485041).
