Turnitin

Turnitin is a plagiarism prevention system which is used by hundreds of institutions worldwide, and the list of schools using Turnitin.com is growing every day. It is the world's most widely recognized and trusted resource for helping prevent Internet plagiarism.

Using Turnitin with eLearning

Turnitin can be used inside eLearning without creating a Turnitin account. ([Instructions](http://turnitin.com))

Using Turnitin without eLearning

If you choose to use Turnitin outside of eLearning, please follow the instructions below to request your account and login.

1. The first time you log in at: [http://turnitin.com](http://turnitin.com).
2. Select: user login
3. Select: new user
4. Enter your UT Dallas email address
5. Enter a password of your choosing (it must have at least one alpha and one numeric character)
6. Enter information in the personal data sheet, use your UT Dallas email and your personal password.
7. When asked to join an account, the UT Dallas account number is 14728
8. Account password: Email Judicial Affairs for password - judicialaffairs@utdallas.edu
9. You will be assigned a digital ID.
