Tips and Outside Resources

• **Blackboard Exemplary Course Project**
  Courses that model best practices in course design, interaction and collaboration, assessment and evaluation, meaningful technology use, and learner support. Check out the [Exemplary Course Rubric](https://ets.utdallas.edu/elearning/resources/tips/makepdf) which can be used as a guideline in developing and evaluating your online courses.

• **“e-cheating: Combating a 21st Century Problem”**
  Tips on combating plagiarism from the T.H.E Journal.
