TESTING CENTER CLOSURE

The UT Dallas Testing Center is currently closed and no exams will be administered for the rest of the Summer semester. Please feel free to reach out to us with any questions or concerns at infotestingcenter@utdallas.edu. Students are encouraged to communicate with their instructors and to check their UTD email frequently. Thank you for your understanding during this uncertain time. We are looking forward to serving you again as soon as we are permitted back on campus. Stay safe and healthy!

Application Deadline

At the beginning of the semester, during the first 2 weeks, students will need to check and verify with their professor they have permission to test at an off-campus testing center. After receiving permission students then need to locate an approved Testing Center. ALL proctored exam applications must be submitted and received by the UT Dallas Testing Center at least 15 BUSINESS DAYS prior to the exam date. The UT Dallas Testing Center will adhere to the 15 business day deadline submission, no exceptions. If you fail to submit your application by the 15 business day deadline, you will need to consult with your professor directly to discuss other exam options.

Testing Options

All UT Dallas students that require to take a proctored exam, either at an off-campus testing center for a UT Dallas online course(s) OR by correspondence at the UT Dallas Testing Center for another institution, must submit an application using one of the following testing options:

1. Proctored Exam for UT Dallas Online Courses Taken at an Off-Campus Testing Center

Students who are geographically unable to test at the UT Dallas Testing Center may use an approved off-campus testing center at a convenient location. All off-campus proctored exams must be completed within the professor's approved exam window. It is the responsibility of the student to submit an application(s) and to make and confirm arrangements for the administration of the exam(s) directly with the off-campus testing center.
