Testing Center

The University of Texas at Dallas Testing Center offers a 300-seat computer lab, providing UT Dallas students access to a comfortable and secure testing environment for online/paper exams, quizzes, instructional testing and assessments. The Testing Center adheres to the guidelines set forth by the National College Testing Association (NCTA), and ONLY administers the following exams:

- Institutional Exams for current UT Dallas Students
- Distance Learning Exams for current UT Dallas Students
- TSI Assessment for current UT Dallas Students

2021 Spring Testing

Due to safety concerns over the COVID-19 pandemic, the UT Dallas Testing Center is closed for the 2021 Spring semester. No exams will be scheduled or administered at the Testing Center throughout the Spring semester. Faculty may use a variety of assessment strategies that do not include online proctoring. When the nature of the course or instruction makes online proctoring a necessity, faculty may choose the option to utilize Honorlock to ensure the academic integrity of your test. Honorlock is an internet-based test proctoring tool that allows students to test online without coming to campus, from a remote location. Honorlock is being offered at no cost to UTD faculty and students.
